# Peppa Pig Tumble & Spin

2 - 4 players

## Contents

- 1 Peppa Pig figurine
- 1 Electronic spinner
- 1 Spin bucket
- 24 Cards (6x Peppa Pig, 6x Emily Elephant,  
6x Rebecca Rabbit, 6x Suzy Sheep)
- 4 Friend markers

## The object of the game

Be the first player to collect all six cards showing your Peppa friend. Are you Suzy Sheep? Then collect all 6 cards showing Suzy Sheep.

## Before you play

Unscrew the lid on the top of the spinner and place two fully charged AAA batteries inside the spinner. Close the lid and place the Peppa figurine on it. Position the spinner bucket on a flat surface like a table. Put Peppa Pig - with the electronic spinner - inside the bucket. Turn on the spinner by flicking the switch to it's "ON" position.

After use, always turn off the spinner by flicking the switch back to its "OFF" position, to save battery power. While turning off, Peppa will say "Bye bye!".

## The game begins

The youngest player begins by taking one of the friend markers, followed by the player to his left. You may choose any friend you like. Slide your marker into one of the slots on the bucket in front of you.

Note: When playing with 4 players, place your marker in a red slot. When there are 3 players, place your marker in a yellow slot, and when playing with 2 players, use the red slots, but place the markers opposite each other, leaving one red slot empty on either side.

Shuffle the cards and place them, with their pictures facing down, in a circle around the Peppa Pig figurine. The youngest player begins by spinning Peppa as hard as he can. Giving Peppa a gentle push is not allowed! Wait until Peppa comes to a full stop. If she stops by your marker, listen carefully to what Peppa says (If Peppa stops in between two markers, she is talking to the person whose marker she has just passed.):

### 1. "One!"

Turn over one of the cards. Call out the friend's name. Is it your friend? Then you get to keep the card. Is it one of the other player's friends? Then show the card to the other players and put it back in the circle.

### 2. "Two!"

You're lucky! You may now look at two cards. Call out the friend's name each time you turn over one of the cards. Is your friend on either of the cards? Then you get to keep that card. If it's one of the other player's friends, then show the card to the other players and put it back in the circle.

### 3. "Close your eyes!"

Oh no! Now you have to give back one of your cards. Close your eyes while the other players hide it among the cards that are on the table. They must not tell you where they have put it!

## Who wins!

The first player to collect all their 6 friend cards wins. If your friend marker shows Rebecca Rabbit, and you have all 6 different Rebecca Rabbit cards, you are the winner!

## Game variations

If you would prefer to play a quicker game, remove some of the cards. For 2 - 3 players you can remove all the cards of the character which is not in play, or for 2 - 4 players you can use less cards per player.

## Battery Warnings

Please refer to the packaging of the batteries you have bought, for instructions and safety warnings. If the batteries run down, unscrew the panel on the spinner and insert new batteries (AAA 1.5V) and replace the lid. Please ensure the + end is on the correct side of the holder.
